THIS WRIT PETITION (CIVIL) HAVING COME UP FOR ADMISSION ON 08/01/2007, THE COURT ON THE SAME DAY DELIVERED THE FOLLOWING:

P.R.RAMAN,J.

W.P.(C).NO.741 OF 2007

Dated this the 8th day of January, 2007

JUDGMENT

The contention of the petitioner in this writ petition is that his objection raised in the matter of drawing the electric line especially in the place where the post E is put, has been sustained by Ext.P4 order passed by the Additional District Magistrate. The operative portion of the order reads as follows:

> "In the result, the line is ordered to be drawn through the proposed route ABCDE provided all posts especially post E is put not in the property of the objector but only in the side of the road."

2. The contention of the petitioner is that now the post is put in the property of the petitioner contrary to Ext.P4 order. If

so, the petitioner can move the Additional District Magistrate for appropriate relief in which case an inspection shall be made and if the complaint is found to be genuine, appropriate orders shall be passed.

Writ Petition is disposed of as above.

P.R.RAMAN,
Judge.
